### **About the Foodbank**

For more than 40 years, the Foodbank of Southeastern Virginia and the Eastern Shore has provided more than 380 million meals to those in our community who face hunger. Through our programs, facilities, and large network of community partners, we work to eliminate hunger daily. Our understanding of the need for a long-term solution has led to the creation of a refreshed strategic plan aimed at moving Hampton Roads closer to achieving the mission of eliminating hunger for those we serve—not only for the day, or for the week, but for a lifetime.
