Dear Valued Customer:

We are pleased to share with you the news that the Eggo Bites® Portfolio can be thawed & served to meet your changing operational needs. Our food safety and quality team evaluated the list of products below and advise as follows:

Thaw & Serve: Remove pouches from case and place in a single layer on sheet pan or tray. Thaw at room temperature for 60 minutes; serve within 1 hour of thawed state.

You can also store refrigerated at 41°F for up to 5 days. Once removed from the refrigerator, serve within 2 hours. If the room temperature is above 90°F serve within 1 hour.

This additional serving option is being added to packaging for the following foods but will take several months before you begin to see it. We hope this letter provides you with the ultimate flexibility to serve your students in the interim.
