About the Foodbank
Since 1981, the Foodbank of Southeastern Virginia and the Eastern Shore has proudly provided more than 380 million meals to our neighbors in need. We play a vital role in the fight against hunger by collecting, storing, and distributing food to our neighbors, while also working to address the root causes of hunger and food insecurity. This past year, we – alongside our neighbors – endured the impact of rising inflation, expiration of critical pandemic-era programs, and increased fuel and shipping costs. These hardships intensified the demand for our services and for the first time, we distributed more than 21 million pounds of food. With the support of our dedicated volunteers, generous donors, and compassionate community members, we strive to exceed this ever-growing baseline goal each year, ensuring that no one in our community goes to bed hungry.
